

## ***LEAVE YOUR LEGACY***

Lets face it; we are simply accumulators and collectors. Neither our collections nor us will be around forever. All the knowledge, Breweriana and great stories will be passed on to disinterested family members or the friends and collectors we met along the way. But they can be preserved for future generations to see and enjoy in a centrally located tourist destination.

The National Brewery Museum™ and Library in Potosi is just the place!

This ABA brewing museum shares the stories, preserves the memories and collections of people like you. To ensure that our museum is all that it can be, **we need your help!**

Your donations will ensure the preservation of brewing history, artifacts and memories for future generations. All of these contained in the beautifully restored Potosi Brewing Company, Potosi Wisconsin, a town landmark for more than a century!
